History: The marina is operated by Steve Rauh with assistance from his mother Ginny, his wife, Molly and their daughters Anna and Maria. The marina has been in operation as a family owned and operated marina since Steve, Sr. founded it in 1968! We live on the property and seek boaters who are looking for a caring community in a quiet, park-like setting.

How to secure a slip: Initial docking preferences are given to those who anticipate year-round dockage. Complete the one page membership application and mail or email it to Steve. He will notify you once space becomes available; at that point, a \$200 deposit is due. The balance is payable over March, April and May for the summer season. Customers who pay their balance early (March 15th, October 15th) receive a discounted rate on their slip. If no slip is initially available, remain in contact with Steve (502-228-7008). **We do require all boaters to carry private insurance on their boats.**

Our Strengths: Our beautiful rustic setting, peaceful environment and friendly community of interesting, caring boaters make this a very special place. **The Rauh family appreciates your interest in becoming a part of our boating community and our extended family!**
